

# 2009-2010 TAMU SPE Committee Application:

Name: \_\_\_\_\_

E-mail: \_\_\_\_\_

Classification (please circle): Freshmen, Sophomore, Junior, Senior, Graduate Student

Please check the committee(s) that you would like to join:

*Outreach:*

- Public Energy Education Committee (PEEC)
- Philanthropy
- Recruiting
- Recycling
- SEC Representation

*Internal:*

- BBQ
- Food
- Membership
- Webpage

*Events:*

- ATCE
- DVG Golf Tournament (Co-Chair Application separate)
- Sporting Clay Tournament

## Committee Co-Chair Application:

As a co-chair, you are responsible for completing designated tasks, distribute responsibility among your committee members and reporting to the officer group. You can co-chair up to 2 committees.

Rank the committees that you would like to co-chair.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

To be considered for a co-chair position, you must answer the following questions.

1. Describe your involvement thus far with TAMU-SPE.

---

---

---

2. What leadership positions have you held during your college career?

---

---

---

3. Why do you think you should be considered for a committee co-chair?

---

---

---

### ***Public Energy Education Committee (PEEC)***

This main focus of this committee is to educate grade school children about the importance of energy. You will have the opportunity to visit nearby schools and participate in an interactive presentation. This committee also participates in Engineering Week in an attempt to inform all ages about energy.

### ***Philanthropy***

The purpose of this committee is to better our surrounding community. The Big Event SPE team, Scotty's House Fundraiser, holiday toy drive, and Thanksgiving food drive are all organized by the members of this committee.

### ***Recruiting***

The primary event for the recruiting team is the SPE-GCS high school recruiting week that is held at various Houston area schools in the fall. Members have the chance to represent the Texas A&M petroleum engineering department at these fairs. This committee is also in charge of representing TAMU-SPE at recruiting events held at Texas A&M including MSC Open House and Aggieland Saturday.

### ***Recycling***

This committee will be responsible for establishing a recycling program throughout the building. Duties would include periodically checking recycling receptacles, and emptying full receptacles into a recycling bin.

### ***SEC Representation***

This committee is responsible for being the SPE representative in the Student Engineers' Council. The members will be required to participate in various SEC meetings. They will also be responsible for communication any important issues with SPE. They are SPE's liaison to the SEC.

### ***BBQ***

This committee is in charge of organizing and cooking at home football games and other SPE events.

### ***Food***

The members of this committee organize the food served at SPE meetings and other SPE events.

### ***Membership***

This committee is made up of a representative from each class (freshman to graduate) in an attempt to involve and inform all students in petroleum engineering of the various SPE events being held. This committee is also in charge of organizing the mentor program.

### ***Webpage***

The purpose of this committee is to update our webpage with upcoming event information and sponsor lists.

### ***ATCE***

ATCE 2009 is going to be held in New Orleans, Louisiana. This committee is in charge of organizing transportation and lodging arrangement for those students attending the conference.

### ***DVG Golf Tournament***

The DVG Golf Tournament is held annually in the spring to raise money for petroleum engineering scholarships. Major tasks include contacting sponsors and organizing the tournament location.

### ***Sporting Clay Tournament***

This event is our major fall fundraiser. The event raises money to cover the operating costs throughout the year. As a member of this committee, you would be responsible for helping with the organization and planning of the event. This event will be held on Saturday, 24 October 2009.
