**MEMORANDUM**

**TO: All Petroleum Engineering Juniors  
(PETE students currently taking Junior PETE courses)**

**FROM: Bryan Maggard, Undergraduate Advisor**

**SUBJECT: Preregistration for Summer/Fall 2009**

This memorandum provides information and instructions concerning preregistration for

- First Summer Session and 10-week Summer Term 2009
  - Preregistration, March 23 - April 3
- Second Summer Session 2009
  - Preregistration March 23 - April 3
- Fall 2009
  - Preregistration April 16 - May 1

Students who are on scholastic probation, or are not enrolled in junior level or senior level PETE classes this semester have been blocked and must see me for advising before preregistration. (See list at Enclosure 1). The purpose of advising is to assist in the development of a valid degree plan independent of the fall schedule. Your plan should be based on your catalog, which can be found by logging into <https://myrecord.tamu.edu/> and clicking on degree audit request.

Other students may pre-register, but should note the following:

- ECEN 215 replaces ELEN 215 for Catalog 129.
- PETE students intending to pursue a minor must have their minor officially declared prior to completing 75 hours and enrollment in their Senior year Petroleum Engineering courses (including any required approval form from the minor granting department). See the departmental Administrative Policies for Undergraduate Students for more information (posted at: [http://www.pe.tamu.edu/academics/RegInfo/PETE\\_Administrative\\_Policies-05-02008.pdf](http://www.pe.tamu.edu/academics/RegInfo/PETE_Administrative_Policies-05-02008.pdf))

Students will be unblocked for preregistration upon approval of their submitted degree plan and submission of the internship job survey form. Students needing to meet for advice on their degree plan may schedule an appointment through Mrs. Gail Krueger [Room 501R, 845-6955, or [gail@pe.tamu.edu](mailto:gail@pe.tamu.edu)] provided they have completed the internship job survey form.
